# AIS

## Limited Lifetime Warranty

This warranty is given to the initial purchaser and is valid for as long as the product is owned by the original Buyer. The warranty, which runs from the date of manufacture, covers defects in materials and craftsmanship found during normal usage of the products during the warranty period. If a product is defective, and if written notice of the defect is given to AIS within the applicable warranty period, AIS (at its option) will either repair or replace the defective product with a comparable component or product. The limited lifetime warranty applies to all products regardless of the number of shifts the product is used each day except as noted below.

Applicable Warranty Period	Products / Restrictions
Lifetime (as defined below)	All AIS branded products (except as noted below)
Ten (10) Years	Electrical products
Five (5) Years	Moving parts, which include keyboard mechanisms, locks, suspensions, casters as well as all AIS fabrics / upholstery.
Five (5) Years	Calibrate Laminate Storage / Casegoods

This warranty does not apply to "normal wear and tear", damage caused by carrier, damage caused by transport of product from one site or location to another, alterations to the product not expressly authorized by Seller, and products considered to be of a consumable nature such as bulbs and light ballast. It also does not apply to "customer's own material" (i.e. material specified by Buyer that is not a standard AIS product offering) used in the manufacture of AIS products. A product will not be considered defective, and Seller will not be obligated to replace it, if the product is not installed properly or is used in a "non-standard" fashion as prescribed by AIS. It is at the sole discretion of AIS to make a determination if a defect is due to improper product installation.

This warranty is presented in lieu of all other warranties, express or implied, including, but not limited to, any implied warranties of merchantability of fitness for a particular purpose. The customer's exclusive remedy with respect to any and all losses or damages resulting from any cause whatsoever shall be repair or replacement as specified above.

*Seller (AIS) shall not be liable under any circumstances for consequential, economic, or incidental damages of any nature, including without limitation, damages for personal injury or damages to property, and however occasioned, whether alleged as resulting from breach of warranty or contract by AIS or negligence of AIS or otherwise.*

International warranties may differ.
